

# Charity Golf Day

The National Golf Club, The Cups Drive, Cape Schank

Tuesday  
22 October  
2019  
12-8pm

## Teeing off for better healthcare

**The Bays extends an exclusive invitation to join us for our 17th Annual Charity Golf Day at The National Golf Club, renowned as one of the best pieces of golf real estate in Australia.**

Enjoy a great day on the green that offers socialising and networking opportunities whilst supporting The Bays Healthcare Group. The event comprises of 18 holes of golf, followed by a superb gourmet buffet dinner with drinks in The National Clubhouse.

From the breathtaking natural beauty of the Mornington Peninsula to abundant challenges, The National offers a golfing experience unlike any other.

All funds raised will help us purchase an all accessibility bus for our leisure and lifestyle program at our Aged Care home, enabling residents with special mobility needs access to participate in regular external outings.

The Bays Aged Care leisure and lifestyle program enhances the quality of life for each resident. We believe activity and social engagement promotes health and wellbeing and we encourage each resident to enjoy each day.
